YOUTH MENTORSHIP IN ACTION

An Online Taster Session for Leaders of Black Led Churches

UK Vision, in partnership with **Spark2Life**, is hosting an online taster session for leaders of Black led churches. The session is centred on Spark2Life's model for mentoring young people.

Spark2Life is an award winning charity that supports children, young adults and those who face adversity to make positive, productive life choices.

> "A trusted mentor can help a young person **discover their strengths**, make **positive choices** and shape a **purposeful future.**"

THE BENEFITS OF BEING A MENTOR

INSPIRE
Help young people discover their strengths and talents.

GUIDE
Support them to make positive choices and overcome challenges.

BUILD
Help build confidence, resilience and life skills.

CREATE BRIGHTER FUTURES
Make a lasting impact on the next generation and stronger communities.

This taster session will provide an overview of Spark2Life's **8-week course**, including a short preview of one element of the course. It will set out the potential for this model to be integrated into the life of a local church.

WHO SHOULD ATTEND?

This session is aimed at a broad range of stakeholders within the black led churches, including:

- Parents
- Youth workers
- Social workers
- Care givers
- Anyone with a real passion for mentoring the next generation
